

## Product technical sheet

# PARK WD1485

## Product data

|                             |                                                                                     |
|-----------------------------|-------------------------------------------------------------------------------------|
| Length                      | 170 cm                                                                              |
| Width                       | 14 cm                                                                               |
| Total height                | 76 cm                                                                               |
| Span length                 | 160 cm                                                                              |
| Availability of spare parts | YES                                                                                 |
| Color options               |  |

Data is subject to change without prior notice.

## Material specification

- The structure is made of a durable, moisture-resistant and low-temperature recycled composite,
- Elements made from recycled HDPE plates, resistant to weather conditions,
- Stainless steel screws and/or screws covered with plastic caps,

## Additional information

- small architecture, complementary element of the playground;
- no sharp edges or chinks that would pose a danger of jimmieing the head, fingers or any other body parts;
- render is for reference only, the actual appearance of the equipment and its color may vary;

## Guarantee

**30**

30 year guarantee - Structural strength of steel and stainless steel components

**15**

15 year guarantee - Structural failure of steel and stainless steel, for dynamic equipment

**10**

10 year guarantee - Structural failure of high density polyethylene and high pressure laminates components

**5**

5 year guarantee - Corrosion of stainless steel and hot dip galvanized and powder coated components; against bark beetles and rot in case of wooden structural elements
